Watkiss DigiVAC	Caption	Files
	<p>Watkiss DigiVAC 8 bin Collator with online 20° offset jogging stacker.</p>	<p>digi8+xjg.jpg 1137 x 1600 px</p>
	<p>Watkiss DigiVAC 8 bin Collator with online 20° offset jogging stacker and BookMaster booklet maker and trimmer.</p>	<p>digi8+xjg+bm+tm.jpg 1800 x 1600 px</p>
	<p>DigiVAC+ with 12 bins, BookMaster Pro, TrimMaster Pro and Automatic SpineMaster.</p>	<p>Digiplus12+bm+tm+asm+xjg.jpg 4064 x 4064 px</p>

Watkiss DigiVAC	Caption	Files
	<p>2 tower DigiVAC+ (12 bins each tower) with Automatic Stitch-Fold, Trim and Automatic SpineMaster.</p>	<p>Digiplus24+asft+asm.jpg 2953 x 3030 px</p>
	<p>The Watkiss DigiVAC Collator has a unique suction feed system, which takes sheets from the bottom of the stack. This allows loading on the run, and so continuous operation.</p>	<p>digi bins.jpg 1500 x 707 px</p>
	<p>The Watkiss DigiVAC Collator features an integral hand merge station which allows additional sheets to be added to a set prior to booklet making.</p>	<p>digi hand merge.jpg 1205 x 1501 px</p>
	<p>DigiVAC Loading.</p>	<p>Digi_load.jpg 1024 x 1192 px</p>

Booklet Makers	Caption	Files
	<p>Automatic Stitch-Fold and Trim with outfeed conveyor.</p>	<p>asf+atr+cnv.jpg 2346 x 1240 px</p>
	<p>The Watkiss Vario Automatic Stitch-Fold unit is supplied with a hand feed guide and a remote control handset. These allow the unit to be used for hand feeding when required.</p>	<p>asf+handfeedguide.jpg 989 x 1093 px</p>
	<p>Watkiss BookMaster booklet maker with motorised infeed.</p>	<p>BMP+BOF+MIF.jpg 2137 x 1498 px</p>
	<p>Watkiss BookMaster booklet maker with online TrimMaster trimmer.</p>	<p>bmp+tmp+bof.jpg 2440 x 1912 px</p>
	<p>2-Knife Trimmer - for use with Watkiss BookMaster or Stitch-Fold systems. The photograph shows the 2-knife trimmer on the right, with the Watkiss SpineMaster on the left.</p>	<p>2-KT.jpg 1100 x 1028 px</p>

SpineMaster	Caption	Files
	<p>Automatic SpineMaster online to BookMaster Pro and TrimMaster Pro (Vario version).</p>	<p>asm+vbm+vtm.jpg 1500 x 1468 px</p>
